TECHNOLOGY CENTER R3700

Sir:

In response to the Office Action dated September 17, 2002, please amend the above-identified application as follows:

IN THE CLAIMS:

Kindly amend the claims as follows:

- 5 to B17
A'
1. A method for making a multi-layer electronic structure, the method comprising:
providing a plurality of sub-composites, wherein each said sub-composite is formed by
the steps of
providing a layer of dielectric material having a first surface and a second surface,
wherein said first surface is selected from the group consisting of a top surface and a
bottom surface,
providing a layer of electrically conducting material on said first surface;
